Attire-Smart Casual
6:00 PM-No-host cocktails
7:30 PM-Dinner

The Corinthian Yacht Club Grand Ballroom is located on the top floor of the beautiful white colonial revival waterfront building just past The SFYC harbor. The Grand Ballroom is a luxurious wood paneled room with high ceilings, and breathtaking views of San Francisco Bay. Upon arrival proceed upstairs, and check-in. No-host bar and live music will be provided. Enjoy the views of the San Francisco Bay and skyline from the deck or sun porch with live music. Following cocktail hour, dinner will be served, and the international community of Etchells sailors can share some time together in an off-the-water setting. An event of this magnitude does not happen without a lot of help, and we will be recognizing our sponsors and the many volunteers that have contributed.

The Corinthian Yacht Club Parking Lot is limited to Members only, but is within walking distance of The San Francisco Yacht Club and the parking lot near the CVS pharmacy where competitors have been issued a parking pass. Those wishing to be a little closer, can park at the pay lot located across the street from the Corinthian Yacht Club.

Seating is limited to 250. Competitors have one complimentary dinner included for each crew member as part of registration. Additional dinners are currently available for \$125 while supply lasts. Additional dinners can be purchased at World Championship check-in 9/22, 9/23, and 9/24 with a credit card.

We are looking forward to having you take part in this fun evening.
